# Position Highlights

Green Hills Community Church is primed for growth. This is a great opportunity for someone open to the challenge of building upon a healthy, established foundation.

Green Hills Community Church sits in the most affluent area of Nashville and has a committed base of congregants eager to welcome the community into its multi-generational family. Green Hills is looking for a leader to continue to establish the church as a bastion of biblically-based preaching while bringing a fresh vision to reach an area desperate for the Gospel. Despite being in the Bible Belt, there are few vibrant churches within this community.

## Church Description

A community staple since the 1960s, Green Hills Community Church and its members have held firm through rocky seasons of church splits and legal disputes. Having cleared those hurdles, the church is now healthy and unified with a desire to grow.

The harvest on the church grounds is plentiful on its own. The church owns an incredible piece of property (free of any debt) in the heart of Green Hills - walking distance to The Mall at Green Hills and dozens of restaurants. The property houses a K-6 school and a senior living center. The church also has thriving Mothers Day Out and Mothers of Preschoolers programs.

Holding the church back has been the lack of a leader with a vision for capitalizing on the opportunities for engaging the people who God is literally bringing inside the doors of the church on a weekly basis. Green Hills is ready to follow a visionary leader to help us move forward in the days ahead.
